CLIENT: Rubin & Rotman Architects

#### Services Provided:

- Topographic Surveying
- Master Planning/Concept Study
- Preliminary & Final Site Plans
- Landscape Architecture
- Traffic Study
- Environmental Permitting
- Construction Layout

#### Project Description:

Located in Hanover, New Jersey, the 123,000 sf North East Training Centre on 16 acres offers pilot, technical and flight crew training to business aircraft operators. The building houses 15 flight simulators for both jets and helicopters. As many as 3,500 pilots a year are expected to be trained here. The project involved detailed traffic studies and parking demand studies. A second phase has already been completed due to its success.
