Project Description:

Centuria is a 1 billion dollar development in Fort Lee, NJ adjacent to the George Washington Bridge, overlooking the Manhattan skyline and consisting of 1.7 million square feet combining high end residential with corresponding amenities with over 90,000 square feet of office space, a luxury hotel and retail. "Centuria will significantly contribute to the growth and continued revitalization of the Fort Lee downtown area...the most exciting and eagerly awaited project in Bergen County." Paul Kaufman, Esq.
