

MEMORIAL SCHOOL SOCCER FIELDS

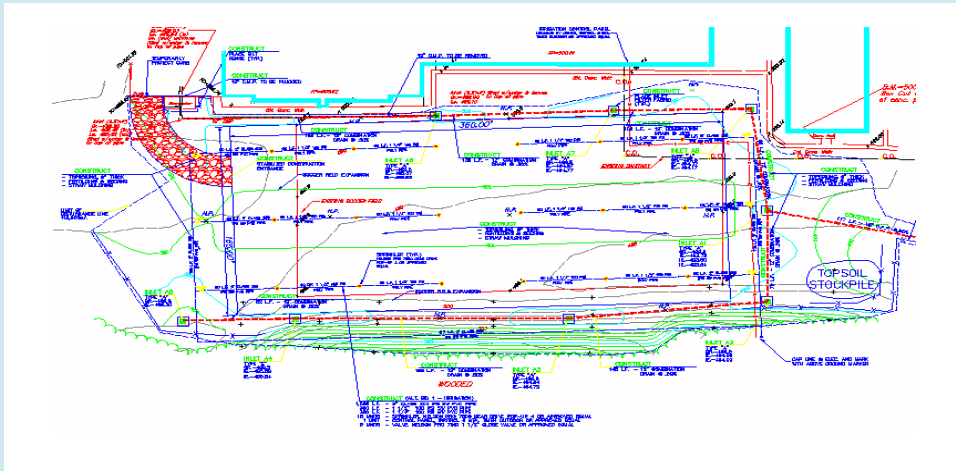

Site Design

Hanover, Morris County, NJ

CLIENT: Township of Hanover
Board of Education

Services Provided:

- Topography
- Site Design
- Landscape Architecture
- Construction Layout

Project Description:

Requested by the Board of Educaiton to investigate if an underutilized field could be converted to a soccer field, OEA designed a field and prepared bid documents with irrigation and drainage designs. The field was longer than regulations require to allow for shifting of the playing field and less stress on the turf.
